

Looe to Polperro

A walk along the stunning South West Coast Path, ending in the picturesque village of Polperro before catching a bus back to Looe, (bus service 73).

Exit right from the railway station and follow signs down Station Road to the bridge. Cross over it to West Looe, turn left and walk down Quay Road alongside the harbour.

When you reach St Nicholas church and its clocktower, keep to the left of the church on the path alongside the water. This will bring you to a flight of a dozen steps up to the road.

When you reach the top of the hill, carry straight along Marine Drive, which has great views of Looe Island, past the café and the tennis courts. Go through the gate in the corner and on to the South West Coast Path.

Stay with the coast path until you come to Talland. Dropping steeply downhill into the car park at Talland, turn left at the Smuggler's Rest and then left again to go past the toilets.

Turn right along the tarmac path to take the coast path uphill towards Polperro. Do not take the path signposted Brent. Follow this path until finally you will drop down into Polperro.

In the village, the bus stop is located at the top of the village, near the Crumplehorn Pub. There are frequent buses to Looe Health Centre, just down the road from the railway station.
